

2016-2017 DONOR CAMPAIGN

The Highland Music Boosters, Inc., established in April 2012, is a 501c3 not-for-profit organization that is partnered with the Highland Central School District. We strongly believe in the value of music as an integral part of every child's education, and recognize that music programs offer long term fiscal value to their districts and communities. These reasons are why our focus is on maintaining and enhancing all existing music programs through advocacy, creative fundraising and grant writing. We can only continue to meet these goals with the assistance of community members like yourself. This is an opportunity to invest in a not-for-profit that truly practices what it preaches. Today, with your donation, you can help us enhance our programming, reach out to our community, and make a difference in the lives of *all* our children – our future.

We realize that these are difficult times. In an effort to help and show our support and appreciation, we have created the following donor program:

Diamond Members – donation of \$500.00 or more

- Your name will appear on our website *and* your business card will be in a framed display at all concerts and events where we are present
- You will receive a business card advertisement in all concert programs (8 per year)

Platinum Members – donation of \$200.00 - \$499.00

- Your name will appear on our website *and* your business card will be in a framed display at all concerts and events where we are present (minimum of 12 per year)

Gold Members – donation of \$75.00 - \$199.00

- Your name will appear on our website *and* in a framed display at all concerts and events that we are present (minimum of 12 per year)

In giving us your support, you'll be able to monitor our success by visiting our website (www.highlandmusicboosters.org). You can also volunteer your time with us to see our programming up close and personal.

Music is a "sound" investment. Recent data shows that 58% of our eligible student population participated in the band and/or choral programs of our district last year. We can only hope that you will support our mission, and help us in implementing our initiatives.

Any contribution would be greatly appreciated. All checks are made payable to: Highland Music Boosters, Inc. and can be mailed to the following address:

If you have any further questions about what we do or whom we serve, please contact us at: musiccounts@hotmail.com. We welcome the opportunity to get to know the generous donors who dedicate their time and/or money to our mission. Thank you.
